

## Our One Voice Conversation at

## Nevill Road Junior School 2022 - 2023

### Priority 1 To improve the quality of education for all children in reading.

- To create a whole school lesson structure to ensure the consistency of teaching and delivery of the reciprocal read.
- To embed the delivery of phonics / spelling and the use of decodable books.
- To focus on high quality texts and promoting the love of reading in reading areas.
- To plan lessons that show clear progression and sequence of learning.
- To ensure that the lowest 20% readers across school are making at least good progress.

### Priority 2 To improve the school's personal development offer for all children through an Enhanced Curriculum

- To meet the Personal Development outstanding statements of the OFSTED Framework through further developing whole school ASPIRE days.
- To widen the offer of extracurricular activities.
- To provide a curriculum that is inclusive and equitable for all.

### Priority 3 To deliver outstanding quality first teaching for all children.

- To develop the Teaching and Learning Policy using the outstanding statements from the Ofsted criteria.
- To use the EEF materials to develop staff's understanding of the TA role and their impact upon learning.
- To upskill support staff in delivering specific interventions e.g. Phonics, Elklan (speech and language), Elsa etc
- To use adaptive teaching methods further develop quality first teaching and provision for SEND and EAL.
- To work with the inclusion team to develop a School Inclusion Plan and how this will be delivered to support staff to deliver high quality provision.
- To utilise the Bright Futures NPQ offer.

### Priority 4 To develop computing across the curriculum by developing staff's knowledge and the technology we use.

- To develop a clear knowledge and skills based curriculum in all areas of computing e.g. control and programming, data logging.
- To provide CPD opportunities for all staff to develop their knowledge of the computing curriculum.
- To develop a clear lesson structure.
- To develop the resources used in school to deliver the curriculum.
- To promote further awareness of e safety throughout the curriculum.
