

Nevill Road PE and School Sport Termly Newsletter - Autumn 2023

Dear Parents and Carers,

PE, School Sport & Physical Activity at Nevill Road in the Autumn Term has got off to a flying start. We have seen great success for our teams representing the school at our competitions, multiple leadership groups attending external training and setting up their lunchtime clubs, and enjoyed whole-school festive fun with our annual Santa Dash.

Leadership in PE & Physical Activity at Nevill Road Junior School

Leadership plays an important role in PE, Physical Activity & School Sport at Nevill Road. Below are our wonderful leadership groups that promote Physical Activity within other children at school.

Play Leaders

After attending their training sessions with Mrs Furbur (our PE specialist who works with us on Tuesdays), our Play Leaders have been busy all term helping our Sports Coaches lead some of our activities on offer at lunchtime.

Play Leaders

We really appreciate all the hard work and support the Play Leaders give during their lunchtimes to help others.

Young Sport Leaders

This year we have three groups of Young Sports Leaders who help to encourage and develop sport and activity across the school. They have been busy all term since attending their training. They have been leading their weekly sessions, on the Year 3 play ground as well as helping out as stewards at our Santa Dash.

Young Sport Leaders

Young Sport Leaders

We are so proud of all of our leaders in sport and the great work they do to promote sport and physical activity across the school.

Competitive sport forms a key element for school sport at Nevill Road and provides children with an opportunity to develop and demonstrate their skills beyond the curriculum. We strive to provide the children with a wide range of opportunities for representing the school at external competitions.

Boys' Football

The boys' football team have enjoyed a great start to the season, winning the recent Hazel Grove High School tournament. The Stockport South League and Cup fixtures will take off in the new year when the lighter evenings allow. The boys continue to enjoy their training sessions and will have the opportunity to represent the school against other local schools. A big thank you to the SK Coaches who have worked so hard coaching the boys and to all the parents and carers who have been turning out to support them. Training and fixtures will continue after the February half term break.

Girls' Football

The girls' team have thoroughly enjoyed their training with the SK Coaching team and have made a brilliant start to the season - coming second in tournaments at Hazel Grove and Disley.

Year 3 & 4 Sports Hall Athletics

Mrs Cliff & Mrs Hewson took our Year 3 & 4 Sports Hall Athletics team to the Cheadle Hulme High School event. The children loved it, demonstrating great teamwork and perseverance. It was a great opportunity for our younger athletes to experience competitive sports outside of PE lessons.

Year 5 & 6 Hockey

Mr Baguley & Mrs Hewson took three hockey teams to the competition at St James' which the children really enjoyed taking part in - for many this was their first competitive hockey. We were really impressed with how the children conducted themselves with teams eventually running in 1st, 2nd & 3rd. Unfortunately, it was far too cold to take any pictures at the end of the evening!

Year 5 & 6 Tag Rugby

Year 5 Swimming Gala

Mrs Jordan and Mrs Hewson took our Year 5 Swimming Team to the Stockport Swimming Gala. The children were a real credit to the school, demonstrating a true Nevill Road TEAM attitude.

Mr Baguley and Mrs Lord were really impressed with how the children got on at Stockport Rugby Club where, for many, they experienced their first competitive tag rugby. The tournament gave the children an opportunity to put the skills they had developed in their PE lessons. The children were a credit to the school with their brilliant, supportive attitudes. Both teams we took along were superb with one team eventually running out winners and then getting back in time for the Halloween Disco!

Transition Athletics

Mr Baguley and Mrs Lord took a group of Year 6 children to take part in the Stockport Transition Athletics competition held at Sports City. The children formed cluster teams where they worked with another primary school and secondary school to compete in events. The children competed well in all events - both track and field - eventually finishing second as Team Bramhall!

Interschool Sport

In addition to our intra-school competitions where children compete against other schools, we have whole school sport and physical activity events to engage all the children in physical activity beyond the curriculum. Below are some of these events that have taken place throughout the Autumn Term.

Santa Dash

All the children in school took place in what is fast becoming an annual event: our Santa Dash! The children all looked wonderful in their festive costumes and persevered well to complete as many laps as they could. The Sport Ambassadors did a great job helping to organise and steward the event.

Extra-Curricular Afterschool Provision

We work hard as a school to ensure that we provide an extensive range of expertly run, afterschool sports clubs. Throughout the Autumn term, we have provided clubs on every day after school bar Fridays with sports and activities including: Basketball, Hockey, Lacrosse, Football, Cheerleading, Tennis & Karate. Sports clubs will continue to run in the Spring Term - please see below for details and keep a lookout for letters coming out through School Spider and letters home. Some outside clubs (such as Football) will start back up after February half term.

Afterschool Sports Clubs for Spring Term 2023

Day	Club	Year Group	Link
Monday	Basketball	Year 3 - 6	https://juniorsportstars.co.uk/after-school-clubs/bookings/
