E-Safety

Dear Parent/Carer

We would be really grateful if you could complete our e-safety survey. Please print, complete and send into school.

e-Safety is about the protection of children whilst they are using the internet and digital technologies. This includes: risk-taking and inappropriate behaviour by children and young people; risks and inappropriate behaviour by others to children and young people; illegal activity.

Whilst our school strives to empower your children with the knowledge to stay safe, it is important that you have a good awareness of the risks and dangers yourself.
