## January 26th 2024

Dear Families,

This week we have welcomed parents into school to take part in maths and reading workshops. If you would like further information about your child's learning in school, take a look at the class pages on the website. The termly year group newsletters and curriculum maps are now also available. On Friday 9th February we are having a FEEL GOOD FRIDAY. During the day we will be taking part in mindfulness activities and talking about the Zones of Regulation.

I hope you have an enjoyable weekend.  
Kind regards  
Mrs Cliff

## OUR CURRICULUM

Year 6 are enjoying their History Topic linked to the World Wars. Year 5 are fully immersed in 'Macbeth' through acting out sections of the play to help them with their writing. Year 3 have loved working on their performance skills in Music. They have created actions to perform as we sing David Bowie's Space Oddity. Year 4 have been learning about risks, hazards and dangers in everyday life. This is part of our PSHE topic 'Living in the Wider World.' Here we are playing our 'Play it Safe' board game.

**Together Everyone Achieves More**

Congratulations to our lacrosse team! The children were a real credit to the school as always and showed great resilience against some really strong teams.

## KEEPING OUR CHILDREN SAFE

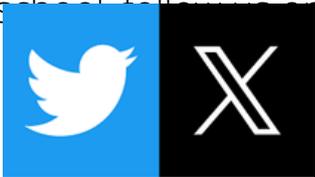

Please be reminded that children under the age of 13 should not have access to Watts app. As a school we work hard to educate pupils to be respectful at all times and to use kind words. Please ensure you are regularly checking your child's online activity to reinforce this message. If you need further support there are may resources on our website and please speak to your child's class teacher if you have concerns.

On Tuesday 6th February it is E Safety day where we will be delivering circles and assemblies about staying safe on line. We are also planning a parent workshop that will be led by Mrs Hancock.

## Year 3 in action to David Bowie's Space Oddity

If you would like to find out more about our curriculum and activities in school follow us on twitter @NRJuniors
