

Nevill Road Junior School

Parent Newsletter 2 – 11.9.20

Dear Families,

Our first full week has been extremely successful and the weather has finally

been on our side. Drop off and collection procedures are mostly working well and thank you for remembering to social distance on the school grounds. Please see a few changes that we have made that will help, particularly at the end of the day.

From Monday 14th September

- Doors will be open from 8.45am. Please only drop off children early if they have a sibling in school that has an earlier start time.
- Siblings that have a 2.50pm collection time from the Infants, can now be collected at 3.00pm from the Infant school. Please then collect their older siblings from the Juniors. Doors will open at 3.00pm at the earliest.
- Year 5 drop off time will be at 9.00am and collection at 3.15pm.
- Please be reminded that you must collect your children at the allocated time unless you have siblings that finish earlier, either at the Infants and the Juniors.

The Recovery Curriculum

This week the staff have been listening to the children read and helping them to choose new books to take home. Year 3 have new library areas in their classrooms and we will be launching the 100 Book Challenge next week.

We have been introducing our Geography and History topics across school as well as practising skills in computing, writing and maths. Please follow us on twitter @NRJuniors to see daily updates on school life.

The children in Year 5 have been creating their own top tips around how to Bee Ready for school and learning. They have also thought about their own Bee Rules.

Reminders

- Please collect children at the allocated pick up time unless you have a sibling finishing at an earlier time. We are trying to minimise the number of people congregating on site.
- Once you have collected your children you must leave the school site straight away.
- Children must not play on the trim trails at the end of the school day as they have to be cleaned after every use.
- Please return flu vaccine letters by Friday 18th September. The vaccinations will be taking place on Wednesday 21st October.
- Evidence of medical appointments must be shown in order for absences to be authorised.

Thank you for your continuing support and understanding during these strange times.

Kind regards

Mrs Cliff
