

Nevill Road Junior School

Parent Newsletter – 20.11.20

Dear Families,

Thank you to parents and carers for the positive feedback that we have received with regards to our remote learning offer. We are working hard to ensure that provision is made for those children who are having to self isolate and learn from home. To find out more, please see the following link:

<http://www.nevillroadjunior.co.uk/page/remote-learning-offer/86867>

Please be reminded that all adults who drop off or collect children from the school site are required to wear a face covering unless exempt. This is to keep our community as safe as possible. Keeping your distance at all times also minimises your risk of coming in to direct

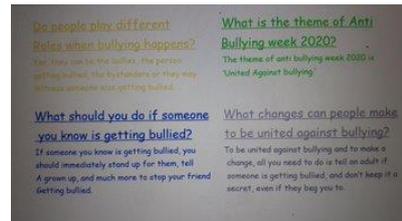

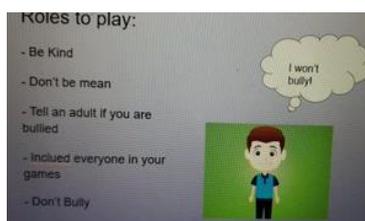

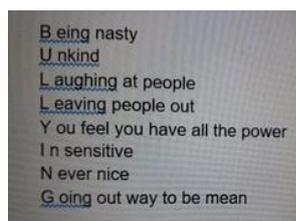

contact with someone who may be infectious.

Our ASPIRE Curriculum

On Monday we all wore odd socks, to celebrate difference and to show our support for Anti - Bullying week. We have been discussing the meaning of the word 'bullying' and the different types of bullying that may affect us.

Year 4 have been learning at home this week and produced some excellent assignments about Anti - Bullying. We continue to work hard at NRJ to address bullying issues as swiftly as possible and encourage the children to tell us straight away if they feel that they are being bullied. The whole school talked about bullying in our virtual assembly today.

Year 5 have been investigating forces using newton measures in their Science lessons this week. Year 6 have been describing their feelings and emotions using French vocabulary. Year 3 have been describing dragons using a good range of adjectives.

Christmas Plans

As we know, Christmas will be a bit different this year and so we are putting together plans to make Christmas as fun as possible in school. The children have shared what they would like to do and the Friends of Nevill Road have very kindly agreed to give £50 to each class to spend. So far we have plans for baking using the new kitchen area, to make Christmas decorations and we may also be having a visit from a few cheeky elves! Mr Dunn will be DJing for us at our outdoor discos and there will be opportunities for the children to watch a virtual Christmas Show. Each class will be having their own class parties and we have even worked out a way to make the Talent Show happen!! Watch this space.....

Diary Dates:

Wednesday 25th November – 5.00pm virtual Y6 SATS meeting

Friday 11th December – PTA Sponsored run / Christmas dinner day!

Thank you for your continuing support during this time and all the lovely messages that are being sent to us. We are all trying our very best to keep smiling and be positive. Spending time with your wonderful children definitely helps with that!

Kind regards

Mrs Cliff

Together Everyone Achieves More.
